

**WEST YORK AREA HIGH SCHOOL  
PARKING PERMIT RULES  
2021-2022 (permits available 8/12)**

**Your Parking Permit gives you the privilege of parking on school property. Please remember, this is a privilege—not a right. Failure to abide by the following, as well as other school rules, may result in possible towing of the vehicle at student expense, disciplinary consequences, and/or revocation of parking privileges.**

- \* **You are only allowed to park your vehicle in your assigned parking space. If your vehicle is found parked somewhere other than your space, your parking privilege may be revoked. The Administration has the right to move your parking space if deemed necessary.**
- \* **You are required to display your Parking Permit by having it attached to the bottom right side of the front windshield (passenger side) during the time you are parked on school property.**
- \* **Your permit is not, under any circumstances, to be shared with or loaned to another student. The permit is issued to YOU, not to anyone else. Sharing your permit with another student will result in your parking privilege being revoked. In the event your decal is lost or stolen, immediately report the situation to the office. A determination will be made as to whether or not to issue you a new Parking Permit.**
- \* **You need to complete the form below and bring it, your driver's license, and registration card to the office to receive your Parking Permit.**
- \* **You will be charged a \$5.00 non-refundable fee to park on school property for the current school year.**
